Fueling the LGBT Movement since 1980

ANNUAL REPORT **2013**

2013 WAS A YEAR THAT THE LGBT MOVEMENT SAW PROGRESS COME AT A THRILLING PACE

Letter from the Board Chair & Executive Director

It's rarely been more thrilling to be part of the LGBT movement than on June 26, 2013, when the U.S. Supreme Court struck down a key part of the federal Defense of Marriage Act and wrote the final chapter on California's Proposition 8. Since those rulings, thousands of same-sex couples have married in our home state, more than a dozen more states have won marriage equality, and court challenges have been filed in every non-marriage state.

Change is rocketing forward outside the courtrooms as well. Public opinion is tipping more strongly than ever toward equality and fairness, and we're even hearing new openness from once less-friendly quarters like corporate America, the Republican party, and even the Vatican.

2013 was also a watershed year for Horizons Foundation. The foundation's grantmaking grew by nearly one-third, and our cumulative grants surpassed \$30 million. We launched a groundbreaking effort, funded by the new Global Faith and Equality Fund, to stem the export of religious-based homophobia from the United States to other parts of the world. Closer to home, we were privileged to make grants to scores of organizations advocating for and serving LGBT people, most right here in our Bay Area home – grants to benefit LGBT people in every part of our community.

2013 proved a strong year in Horizons' institutional growth as well. Our assets grew a remarkable 30% over 2012. We saw substantial increases in both our Donor-advised Fund Program – which now includes more than 90 funds – and in the LGBT Community Endowment Fund, dedicated to our community's long-term strength and freedom. More than 250 people have joined the foundation's Legacy Circle, guaranteeing the Endowment's continued growth for the future of our community.

The progress of both our movement for equality and Horizons Foundation has been made possible by the gifts and efforts of tens of thousands of LGBT people and our allies. Horizons is proud to be part of this movement and of this community. And we are deeply grateful for the contributions of so many that have gotten us where we are today. Together, we will continue to do what Horizons does best: harness the strength, the generosity, and the potential of the entire Bay Area LGBT community and bring it to bear on the challenges and opportunities that we face both today and in the future.

PROGRAMS

Horizons strengthens and supports all parts of the LGBT community

Horizons is the world's first LGBT community foundation, and the only nonprofit that supports all parts of the LGBT community throughout the Bay Area. Since 1980, Horizons has granted more than \$30 million to critical organizations that help thousands of people each day. We're often the first to provide grants to emerging nonprofits and a core funder for anchor organizations that advocate for LGBT rights, serve LGBT youth and elders, ensure community health, and promote arts and culture.

Horizons mobilizes a community of donors and funders for greater impact

Horizons fuels the LGBT movement by mobilizing people to increase giving, educating donors, and combining individual donations so that all gifts benefit multiple organizations and thousands of lives. We also advocate for important LGBT causes with mainstream foundations and corporate funders who rely on our 34 years of expertise, bringing millions of additional dollars to LGBT nonprofits.

Horizons actively secures our LGBT community's future for generations to come

Horizons actively secures our community's future by promoting planned giving and building the LGBT Community Endowment Fund, a permanent fund dedicated to meeting the needs, securing the rights, and celebrating the lives of LGBT people – forever.

MISSION

A community foundation rooted in and dedicated to the lesbian, gay, bisexual, and transgender community, Horizons Foundation exists to:

- Mobilize and increase resources for the LGBT movement and organizations that secure the rights, meet the needs, and celebrate the lives of LGBT people
- Empower individual donors and promote giving as an integral part of a healthy, compassionate community
- Steward a permanently endowed fund through which donors can make legacy gifts to ensure our community's capacity to meet the future needs of LGBT people

LEGACY CIRCLE

Horizons' Legacy Circle honors individuals and couples who have included the foundation in their financial planning by making a bequest in a will, creating a trust, or designating Horizons as the beneficiary of an insurance policy, retirement plan, security, or other asset. Through Horizons' LGBT Community Endowment Fund, legacy gifts help ensure that future generations will have unprecedented financial resources to address community needs that we cannot predict today.
