# 2015 Community Issues Grants Request for Proposals (RFP)

---

Horizons Foundation, a philanthropic social justice organization, serves the lesbian, gay, bisexual, and transgender community throughout the Bay Area and beyond by supporting nonprofit organizations and increasing the financial resources available to the LGBT community. In keeping with this mission, Horizons announces our 2015 Community Issues grants, which are made possible through the contributions of individual donors to Horizons, donors' legacies included in Horizons Foundation's LGBT Community Endowment Fund, and the support of philanthropic partners.

Our goal in this RFP is to explain as fully and clearly as possible what is needed to apply and what goes into grantmaking decisions. We realize that, as a result, this RFP itself is extensive, and are keenly aware of the time involved in preparing grant applications. Accordingly, we have done our best to streamline the application itself wherever possible, while still gathering sufficient information to allow the community panel that reviews the applications to make informed recommendations.

If any aspect of the RFP is unclear, please join us for one of the "How to Apply" workshops (see previous page) or contact us directly. We also welcome your feedback on the RFP and any other aspect of the Community Issues process.

## Deadline and timeline

This year, Horizons has added an online submission process along with the required paper copies of your application. Please note the submission deadlines in order to have your application considered for funding.

- The deadline for the electronic application submission is Thursday, August 13, 2015 by 5PM.
- The deadline for paper copies of the application is Friday August 14, 2015 (postmarked or delivered by 5PM).

Funding decisions will be announced toward the end of November 2015 after Horizons' community review process and funding approval by Horizons Board of Directors.

## Eligibility

**Please note that an organization may submit only one proposal for a Community Issues grant.** To be eligible for a 2015 Community Issues grant, your organization must:

- Be a nonprofit, 501(c)(3) organization, or provide documentation that the organization is fiscally sponsored by an organization that has 501(c)(3) status.
- Be either:
  1. An LGBT-primary organization (defined as an organization whose mission includes the LGBT population as the primary focus of the work; whose staff and board predominantly reflect the LGBT community; and which primarily serves LGBT people); or
  2. A non-LGBT-primary organization seeking funding for an LGBT-specific project.
- Request support for an organization or program within one or more of these counties: Alameda, Contra Costa, Marin, Napa, San Francisco, San Mateo, Santa Clara, Solano, Sonoma.
- Have submitted a final report and financial accounting for any past grant(s) which are due.
- Address all sections of the proposal.

Please note that the following are not eligible for support:

- Requests for costs incurred prior to the date of the grant award
- Requests from government agencies
- Requests for capital support, including construction and renovation
- Fundraising event sponsorship
- Projects that directly benefit an individual (filmmaking is considered a collaborative art and is therefore eligible)

## Awards

The maximum grant award is \$10,000. The one exception to this maximum is for grants to increase individual giving, which have a maximum award of \$20,000. (As noted below, such “increasing individual giving” grants are available to LGBT organizations with budgets over \$1 million only.) Please note that grant proposals from LGBT organizations with budgets over \$1 million will be considered separately from other proposals.

## Funding Priorities

To help target our funding and achieve greater impact for the LGBT community Horizons Foundation has established funding priorities. The priority areas that we are focusing on in 2015 are shown below. (Two additional priorities—leadership development and LGBT elders—are being supported through different programs.)

**PLEASE NOTE:** LGBT-primary organizations with budgets over \$1 million may apply only for projects designed to enhance their fundraising with individual donors. These grants are generally renewable for a second year, and will range from \$15,000 to \$20,000 per year. This focus is intended to help larger LGBT-primary organizations have even greater impact from a Horizons grant by using those funds to build their own individual fundraising capacities. (No other kind or size of organization may apply in this “increasing giving” category.)

Priority Area	Description
<i>For all organizations with budgets &lt; \$1 million and non-LGBT-primary organizations with budgets &gt; \$1 million</i>	
Creating policy, advocacy, and systems change	Organized efforts to effect change in government or private institutions and to educate leaders and others about LGBT issues.
Securing equality for LGBT people	Strategic work to serve and protect the civil and human rights of LGBT people within legal systems and institutions.
Supporting the equality, health, and empowerment of lesbian, bisexual, and transgender women	Organizations or projects that address health disparities and/or provide programs to engage and empower LBT women in society.
Achieving racial equity and full participation of people of color in the LGBT community	Organizations or projects that are based in, and focused on, the issues and needs of LGBT people of color, and/or that address the legacy of racial inequity, and/or that create bridges between people of color communities and non-people of color LGBT communities.

Priority Area	Description
<i>For LGBT-primary organizations with budgets &gt; \$1 million</i>	
Increasing giving to LGBT organizations	Support for larger LGBT organizations to increase their own capacities to raise funds. Projects focusing on growing individual giving will be given higher priority.

Your organization may already focus on one of these areas, or even a combination of them (for example, an organization focused on women of color). However, where indicated on the application, we ask that you designate no more than TWO priority area. Please also note that while the majority of grants will be made to organizations working to further the above priorities, other LGBT organizations and LGBT projects will be considered for funding as well.

Please note also that general operating support is still our preferred method of supporting LGBT-primary organizations. It is not necessary to design a new project—or even designate an existing one—to address the priorities. Rather, we will be looking at the connection between your organization’s overall mission and one or more of the priorities. If you have difficulty identifying which priority you should apply under, please contact Horizons staff.

**Special note to arts organizations:** Most arts organizations/projects will often fall under the more general priority “Securing equality for LGBT people.” 2015 Community Issues grants *will* include support for arts and culture. If you have a concern please call the office.

### Additional Funding Considerations

- Horizons will give significant priority to LGBT-primary organizations as defined above. Exceptions will be made on a limited basis. Horizons has great regard for non-LGBT organizations that serve LGBT people, and this should not be construed as diminishing their contributions. Non-LGBT-primary organizations with LGBT-focused projects are encouraged to call staff if they are considering applying.
- Organizations and projects that are organized by, and work on behalf of, underserved segments of the LGBT community (including ethnicity, race, age, gender, gender identity, and physical and mental ability) will also be viewed positively in our considerations.
- Horizons will also give special consideration to programs that have limited appeal to traditional funding sources.
- We will give additional priority to organizations that are not currently receiving significant funds from other grantmaking programs within the foundation.

### Two-Year Support

In a very limited number of cases, the panel reviewing proposals may recommend that an organization receive a grant for two years. Organizations that receive two-year grants would not have to reapply the following year. Two-year funding is at the discretion of the review panel and does *not* require any additional information from applicants.

## Application Process

All applications are reviewed by Horizons' program staff and then by a diverse community panel. The panel makes recommendations to Horizons Foundation's Board of Directors.

Please complete all required materials. You can download the RFP at [www.horizonsfoundation.org](http://www.horizonsfoundation.org). Please do not send a cover letter, letters of reference, or any attachments not specifically requested in this RFP. Our goal is to minimize the pressure on applicants to produce voluminous proposals.

**This year, Horizons has added an online submission process along with the required paper copies of your application. Please note the submission deadlines in order to have your application considered for funding.**

- The deadline for the electronic application submission is Thursday, August 13, 2015 by 5PM.
  1. Download the grant application from Horizons' website and save it to your hard drive with the following name:  
"2015 CI application "insert your organization name"" for example - "2015 CI application LGBT Inc"
  2. You can use Adobe Acrobat or Adobe Reader to fill in the grant application. If you do not have Adobe Reader - get the free latest version of Adobe Reader from:

  6. You will receive an email by end of business Monday, August 17 confirming your online submission.

Note: You do not have to fill the application all at one - just remember to save any changes each time. When you are ready to submit your application electronically, then click the "Submit Form" button.

- The deadline for paper copies of the application is Friday August 14, 2015 (postmarked or delivered by 5:00 p.m.). All proposals, along with all required attachments, must be completed, signed, and postmarked by the postmark deadline of August 14, 2015. (You may also deliver your completed proposal to Horizons' office by 5:00 p.m. that same day.) In the interest of fairness, we regret that proposals dated after the postmark deadline or sent by fax at any time cannot be considered.
