# 2018 Community Issues Grants Request for Proposals (RFP)

---

Horizons Foundation, a philanthropic social justice organization, serves the lesbian, gay, bisexual, and transgender community throughout the Bay Area and beyond by supporting nonprofit organizations and increasing the financial resources available to the LGBTQ community. In keeping with this mission, Horizons announces our 2018 Community Issues grants, which are made possible through the contributions of individual donors to Horizons, donors' legacies included in Horizons Foundation's LGBTQ Community Endowment Fund, and the support of philanthropic partners.

Our goal in this RFP is to explain as fully and clearly as possible what is needed to apply and what goes into grantmaking decisions. We realize that, as a result, this RFP itself is extensive, and are keenly aware of the time involved in preparing grant applications. Accordingly, we have done our best to streamline the application itself wherever possible, while still gathering sufficient information to allow the community panel that reviews the applications to make informed recommendations.

If any aspect of the RFP is unclear, please join us for one of the "How to Apply" workshops (see previous page) or contact us directly. We also welcome your feedback on the RFP and any other aspect of the Community Issues process.

## **Deadline and timeline**

Horizons has a two-part application submission process – an online submission along with the required paper copies of your application. Please note the submission deadlines in order to have your application considered for funding.

- The deadline for the electronic application submission is Wednesday, August 8, 2018 by 5 PM.
- The deadline for paper copies of the application is Wednesday, August 8, 2018 (postmarked or delivered by 5 PM).

Funding decisions will be announced toward the end of November 2018, after Horizons' community review process and funding approval by Horizons Foundation's Board of Directors.

## **Eligibility**

**Please note that an organization may submit only one proposal for a Community Issues grant.**

To be eligible for a 2018 Community Issues grant, your organization must:

- Be a nonprofit, 501(c)(3) organization, or provide documentation that the organization is fiscally sponsored by an organization that has 501(c)(3) status.
- Be either:
  1. An LGBTQ-primary organization (defined as an organization whose mission includes the LGBTQ population as the primary focus of the work; whose staff and board

predominantly reflect the LGBTQ community; and which primarily serves LGBTQ people); or

2. A non-LGBTQ-primary organization seeking funding for an LGBTQ-specific program/project.
- Request support for an organization or program/project within one or more of these counties: Alameda, Contra Costa, Marin, Napa, San Francisco, San Mateo, Santa Clara, Solano, Sonoma.
  - Have submitted a final report and financial accounting for any past grant(s) which are due.
  - Address all sections of the proposal.

**Please note that the following are not eligible for support:**

- Requests for costs incurred prior to the date of the grant award
- Requests from government agencies
- Requests for capital support, including construction and renovation
- Fundraising event sponsorship
- Projects that directly benefit an individual (filmmaking is considered a collaborative art and is therefore eligible)

## **Awards**

The maximum grant award is \$10,000. The one exception to this maximum is for grants to increase individual giving, which have a maximum award of \$20,000. (As noted below, such “Increasing Giving” grants are available to LGBTQ-primary organizations with budgets over \$1 million only.) Please note that grant proposals from LGBTQ-primary organizations with budgets over \$1 million will be considered separately from other proposals.

## **Funding Priorities**

To help target our funding and achieve greater impact for the LGBTQ community Horizons Foundation has established funding priorities. The priority areas that we are focusing on in 2018 are shown below.

**PLEASE NOTE: LGBTQ-primary organizations with budgets over \$1 million may only apply for projects designed to enhance their fundraising with individual donors.** This focus is intended to help larger LGBTQ-primary organizations have even greater impact from a Horizons grant by using those funds to build their own individual fundraising capacities. **(No other kind or size of organization may apply in this “Increasing Giving” category, and LGBTQ-primary organizations with budgets over \$1 million may not apply in another category.)**

Priority Area	Description
<i>For all organizations with budgets &lt; \$1 million <u>and</u> non-LGBTQ-primary organizations with budgets &gt; \$1 million</i>	
Creating policy, advocacy, and systems change	Organized efforts to effect change in government or private institutions and to educate leaders and others about LGBTQ issues.
Securing equality for LGBTQ people	Strategic work to serve and protect the civil and human rights of LGBTQ people within legal systems and institutions.
Supporting the equality, health, and empowerment of lesbian, bisexual, and transgender women	Organizations or projects that address health disparities and/or provide programs to engage and empower LBT women in society.
Achieving racial equity and full participation of people of color in the LGBTQ community	Organizations or projects that are based in, and focused on, the issues and needs of LGBTQ people of color, and/or that address the legacy of racial inequity, and/or that create bridges between people of color communities and non-people of color LGBTQ communities.
<i>For LGBTQ-primary organizations with budgets &gt; \$1 million</i>	
Increasing giving to LGBTQ organizations	Support for larger LGBTQ organizations to increase their own capacities to raise funds. Projects focusing on growing individual giving will be given higher priority.

Your organization may already focus on one of these areas, or even a combination of them (for example, an organization focused on women of color). However, where indicated on the application, we ask that you designate no more than TWO priority areas. Please note that while the majority of grants will be made to organizations working to further the above priorities, other LGBTQ organizations and LGBTQ programs/projects will be considered for funding as well.

Please also note that general operating support is still our preferred method of supporting LGBTQ-primary organizations. It is not necessary to design a new project—or even designate an existing one—to address the priorities. Rather, we will be looking at the connection between your organization’s overall mission and one or more of the priorities. If you have difficulty identifying which priority you should apply under, please contact Horizons staff.

**Special note to arts organizations:** Most arts organizations/projects will often fall under the more general priority “Securing equality for LGBTQ people.” 2018 Community Issues grants *will* include support for arts and culture. If you have a concern please call the office.

## **Additional Funding Considerations**

- Horizons will give significant priority to LGBTQ-primary organizations as defined above. Exceptions will be made on a limited basis. Horizons has great regard for non-LGBTQ organizations that serve LGBTQ people, and this should not be construed as diminishing their contributions. Non-LGBTQ-primary organizations with LGBTQ-focused programs/projects are encouraged to call staff if they are considering applying.
- Organizations and projects that are organized by, and work on behalf of, underserved segments of the LGBTQ community (including ethnicity, race, age, gender, gender identity, and physical and mental ability) will also be viewed positively in our considerations.
- Horizons will also give special consideration to programs that have limited appeal to traditional funding sources.
- We will give additional priority to organizations that are not currently receiving significant funds from other grantmaking programs within the foundation.

## **Two-Year Support**

In a very limited number of cases, the panel reviewing proposals may recommend that an organization receive a grant for two years. Organizations that receive two-year grants would not have to reapply the following year. Two-year funding is at the discretion of the review panel and does *not* require any additional information from applicants.

## **Application Process**

All applications are reviewed by Horizons' program staff and then by a diverse community panel. The panel makes recommendations to Horizons Foundation's Board of Directors.

Please complete all required materials. You can download the RFP at [www.horizonsfoundation.org](http://www.horizonsfoundation.org). Do not send a cover letter, letters of reference, or any attachments not specifically requested in this RFP. Our goal is to minimize the pressure on applicants to produce voluminous proposals.

Horizons has a two-part application submission process – electronic and paper process. ***You must submit both the electronic and paper application.*** Please note the submission deadline in order to have your application considered for funding.

- **The deadline for the electronic application submission is Wednesday, August 8, 2018 by 5 PM.**
  1. Download the grant application from Horizons' website and save it to your hard drive with the following name:  
“insert your organization name 2018 CI application” for example – “LGBTQ Inc 2018 CI application”
  2. You can use Adobe Acrobat or Adobe Reader to fill in the grant application. If you do not have Adobe Reader - get the free latest version of Adobe Reader from: <http://www.adobe.com/go/reader>

3. Click the attachment to open the grant application in Acrobat or Adobe Reader. Do not fill the application online, but first save it to your hard drive (see step 1. one above).

**For Apple users – make sure you are not filling the application in the Preview PDF application provided by Apple.** Filling the application in Apple’s Preview

does not work for this application. Instead, follow instructions to download Adobe Acrobat Reader DC for Mac OS for your browser type from:

<https://helpx.adobe.com/acrobat/kb/install-reader-dc-mac-os.html>

4. Once the file is open, make sure to click the button titled “Highlight Existing Fields” to see the text boxes where you will enter the necessary information. This button can be found in the right hand corner of the tool bar.
5. Note: you do not have to complete the application all at once – remember to save your changes every time you close the application.
6. When you have completed the application, remember to save the application. **IMPORTANT: Do not click on the “Submit Form” button in the right corner of the tool bar.** Instead email the application to Horizons as an attachment.
7. Email the application as an attachment to [Grants@horizonsfoundation.org](mailto:Grants@horizonsfoundation.org). In the email subject line please type “insert your organization name 2018 CI application”.
8. An email by end of business Monday, August 13, 2018 confirming the online submission will be sent to “Grant Proposal Contact” identified on the application.

▪ **The deadline for application paper copies submission is Wednesday, August 8, 2018 (postmarked or delivered by 5:00 PM).**

1. All proposals, along with all required attachments, must be completed, signed, and postmarked by the deadline of Wednesday, August 8, 2018. (You may also deliver your completed proposal to Horizons’ office by 5:00 PM. that same day.)
2. In the interest of fairness, we regret that proposals dated after the postmark deadline or sent by fax at any time cannot be considered.

## APPLICATION GUIDELINES
