BUILD WITH HORIZONS

Since its founding in 1980, as the world's first LGBTQ community foundation, Horizons Foundation has been leading efforts to build a future for our community in the SF Bay Area and beyond.

At the Horizons Gala, a seated, three-course dinner for 600 guests at the legendary Fairmont San Francisco, we celebrate what we've built so far and raise critical funds that allow us to keep building, through both the support we give organizations today and our permanent endowment for tomorrow.

When you sponsor the Horizons Gala, you make clear that you, too, are building a future for the LGBTQ community. Will you build with us?

\$44+ million

Our total grantmaking to nonprofits, both established and emerging, which advance a future where all LGBTQ people thrive.

\$100 million

Our goal for committed legacy gifts secured by 2020, to grow our permanent endowment that will support our community forever.
