If you are unable to attend any of these webinars and have questions about this year's grant process or your organization's proposal, please do not hesitate to contact Horizons' staff. 2020 Community Issues Performance Arts Grants Request for Proposals (RFP)

Horizons Foundation, a philanthropic social justice organization, serves the lesbian, gay, bisexual, and transgender community throughout the Bay Area and beyond by supporting nonprofit organizations and increasing the financial resources available to the LGBTQ community. In keeping with this mission, Horizons announces our 2020 Community Issues Performance Arts grants, which are made possible through the support of philanthropic partners.

Our goal in this RFP is to explain as fully and clearly as possible what is needed to apply and what goes into grantmaking decisions. We realize that, as a result, this RFP itself is extensive, and are keenly aware of the time involved in preparing grant applications. Accordingly, we have done our best to streamline the application itself wherever possible, while still gathering sufficient information to allow the community panel that reviews the applications to make informed recommendations.

If any aspect of the RFP is unclear, please join us for one of the “How to Apply” webinar (see previous page) or contact us directly. **We encourage all first-time applicants to attend a webinar as well as make an appointment for a telephone conference with Horizons’ staff to talk about your project.** We also welcome your feedback on the RFP and any other aspect of the Community Issues process.

Deadline

The deadline for the electronic application submission is Monday, December 21, 2020 by 11 AM.

 2. A non-LGBTQ-primary organization seeking funding for an LGBTQ-specific performance arts program/project; or
 3. An LGBTQ artist seeking funding for an LGBTQ-specific performance art piece that is fiscally sponsored by a 501c3 nonprofit

Awards

The maximum Community Issues grant award is \$10,000.

Funding Priorities

To help target our funding and achieve greater impact for the LGBTQ community Horizons Foundation has established funding priorities. The priority areas that we are focusing on in 2020 are shown below.

Priority Area	Description
Creating policy, advocacy, and systems change	Organized efforts to effect change in government or private institutions and to educate leaders and others about LGBTQ issues.
Securing equality for LGBTQ people	Strategic work to serve and protect the civil and human rights of LGBTQ people within legal systems and institutions.
Supporting the equality, health, and empowerment of lesbian, bisexual, and transgender women	Organizations or projects that address health disparities and/or provide programs to engage and empower LBT women in society.

Priority Area	Description
Achieving racial equity and full participation of people of color in the LGBTQ community	Organizations or projects that are based in, and focused on, the issues and needs of LGBTQ people of color, and/or that address the legacy of racial inequity, and/or that create bridges between people of color communities and non-people of color LGBTQ communities.
Meeting the challenges of the aging LGBTQ population	Organizations or projects that promote healthy aging among LGBTQ elders and improve programs and services for our growing LGBTQ elder population.
Leadership development	Projects that address the needs of LGBTQ leaders primarily within the context of an organization's larger strategic project addressing capacity building.

Most arts organizations/projects will often fall under the more general priority “Securing equality for LGBTQ people, but you may select an additional priority. Please select no more than two priorities (including Securing Equality)”

Additional Funding Considerations

- **Horizons will give significant priority to LGBTQ-primary organizations as defined above.** Exceptions will be made on a limited basis. Horizons has great regard for non-LGBTQ organizations that serve LGBTQ people, and this should not be construed as diminishing their contributions. Non-LGBTQ-primary organizations with LGBTQ-focused programs/projects are encouraged to schedule call with staff if they are considering applying.
- With the ongoing COVID-19 pandemic, limitations to gathering sizes, and social distancing requirements, we know organizations and artists engaged in performance arts are exploring new avenues to produce and showcase their work. **Horizons looks favorably on proposals that offer new and innovative ways to produce and present performance arts works during the COVID-19 Pandemic.**
- Organizations and projects that are organized by, and work on behalf of, underserved segments of the LGBTQ community (including ethnicity, race, age, gender, gender identity, and physical and mental ability) will also be viewed positively in our considerations.
- Horizons will also give special consideration to programs that have limited appeal to traditional funding sources.
- We will give additional priority to organizations that are not currently receiving significant funds from other grantmaking programs within the foundation.

Application Process

All applications are reviewed by Horizons' program staff and then by a diverse community panel. The panel makes recommendations to Horizons Foundation's Board of Directors.

Please complete all required materials. You can download the RFP at horizonsfoundation.org. Do not send a cover letter, letters of reference, or any attachments not specifically requested in this RFP. Our goal is to minimize the pressure on applicants to produce voluminous proposals.

Please note the submission deadline in order to have your application considered for funding.

If you decide to copy and paste part of the application, e.g., mission statement or your narrative from a Word document into the text fields in the Community Issues Application PDF, please be aware that the text boxes have specific capacity and are not linked across pages. What this means is that any text pasted in a text box that exceeds the capacity of a particular text box will not show and will get cut off, thus it will not show in the print copies of your application.

For further information, please see the Grant Proposal Checklist on page 13 of this document.
