## THE ORGANIZATION

Horizons Foundation has been dedicated to serving, funding, and helping to lead the LGBTQ community for over 40 years. Established in 1980 as a San Francisco–based community foundation, Horizons’ mission statement reads:

*As the world’s first community foundation of, by and for LGBTQ people, Horizons invests in LGBTQ nonprofits, strengthens a culture of LGBTQ giving, and builds a permanent endowment to secure our community’s future for generations to come.*

Horizons is a national leader in promoting LGBTQ philanthropy, recently recognized as one of the LGBTQ movement’s “Top 10” funders by the national advocacy group Funders for LGBTQ Issues. Last year, Horizons distributed more than \$6 million in grants to hundreds of nonprofits throughout the country, with more than half supporting organizations in the Bay Area. Grants were awarded to LGBTQ nonprofits and to LGBTQ-focused programs at non-LGBTQ-specific organizations. Through its donor-advised fund (DAF) program, Horizons also makes grants to non-LGBTQ nonprofits regionally and nationally.

In addition to helping meet today’s needs, Horizons is working to ensure that future generations of LGBTQ people have the resources they will need to serve, protect, advocate for, and celebrate our community far into the future. To that end, the foundation is building the first LGBTQ community endowment fund dedicated to future generations and to helping donors today find ways to create personally meaningful – and impactful – legacies. To date, Horizons has identified more than \$120 million in future legacy gifts that donors are leaving to the foundation and our community.
